(858) 668-9723

EDUCATION: Chapman University 2022 - 2026 GPA: 3.87

SKILLS

Biliterate in English and Spanish | Leadership Experience | AWS | GitLab | Excel | Google Colab | Computer Programming in Python, Java, C++, C, Swift, SQL | Data Visualization | Tableau | Scholar Track and Field Athlete

---

WORK EXPERIENCE

Software Engineering Intern at SeeScan (2025)

- Worked with geospatial systems and refactoring legacy map tiling processing service.
- Implemented and helped maintain a specialized CI/CD Pipeline and wrote organized and testable code.
- Added functionality to internal company tools and packages

Video Production Business (2018 - Present)

- Developed projects for PUSD, AgColo, AME Workshop, James Parker Films, MujerSaludySabor, WayALife

Track and Field Student Assistant (2024-present)

- Photographer and Videographer for multiple NCAA D3 teams

Pyrotechnician (2022-Present)

- Set up, tested, and fired fireworks shows for SeaWorld and Legoland

---

PROJECTS & RELEVANT COURSES

Computer Vision Eye Tracking Project (Python)

- Designed and trained a custom CNN on annotated image datasets, later improving detection performance by migrating the system to a YOLO-based architecture

CreateML Modeling and API calls (Swift)

- Created and implemented machine learning models and API calls into Swift applications

Machine Learning and Business Analytics (Python)

- Created 10+ advanced business-oriented models for data analysis projects
- Worked with training custom generative models using TensorFlow

Data Science and Environment (Python)

- Using Python and QGIS, worked on an analysis of water usage in the UC Irvine area

2D Computer Simulated Game (C++)

- Object-oriented design with multiple levels, customizable variables, and automated gameplay output.

LEADERSHIP & AWARDS

BroncoTV Show Producer (2018 - 2022)
PUSD Digital Media Senior Internship (2021 - 2022)
Leading Chapman Track and Field and Basketball Media Days (2023-Present)
Independent Film Project Director (2015 - Present)
SweetTarts FilmFest Winner, $25,000 Award | Category: Expression of #BeBoth (2022)
Los Angeles Student Film Awards Documentary Finalist (2024)
